## Street Jesus News:

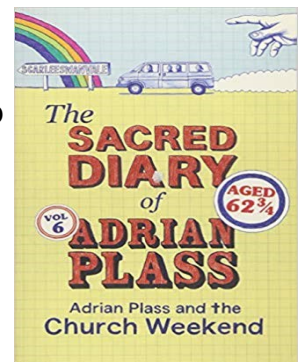

Welcome to the March edition of Street Jesus e-news. So having just enjoyed clotted cream and jam pancakes with my home group on Shrove We each have a go at making our own pancakes and in previous years mine have invariably ended up with holes in or my tossing has been less than expert but its always good fun and it was the turn of others to end up with pancakes on the floor this year, no names mentioned. OK so cream and jam is a bit more decadent than Sugar and lemon but Jesus does promise us life in all its fullness and whilst we cannot live by pancakes alone what we eat can be a real pleasure and a blessing. God provides. Home groups are not just about bible study they also serve for mutual support and building a loving community within the church.

Last year we spoke about the lent 40acts as promoted by stewardship so on my first day i placed a £2 coin on the top of a container of baby milk in the local supermarket. This is just one idea. The possibilities for giving are endless and I'm sure that you can think of many acts of kindness over the 40 day period. When giving to others we are sacrificing something of ourselves albeit in a small way. Jesus established the whole idea of giving himself 2,000 years ago by giving his life on the cross. £2 given away hardly matches the cost that Jesus paid for our sin but in these seemingly small loving acts we are being faithful to him.

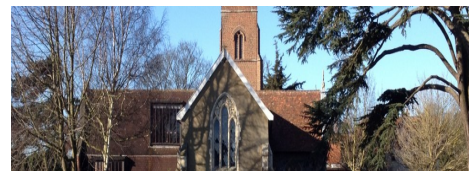

We now have over 1400 members on our facebook page. On average there are around five postings each day ranging from video sermons ,bible verses quotes and commentaries, worship music, poetry, and lately we have been receiving cartoons and jokes. Sometimes Christians can seem a bit intense and serious and of course our faith is profound and there are times when we need to show reverence to God but it is also ok to see the funny side of things and laugh at ourselves a little. I love the Adrian Plass books in this respect not least because our faith is not always neat and tidy, there is paradox and tension in the bible whereby we are required to seek Gods guidance in any given situation. Humour can be a useful thing in bringing us to a point of humility before God. If you have not been on our facebook page yet please give it a look, you are more than welcome to become a member. It is also useful to keep you up to date and informed as to what is happening in our local Christian community. Its just one of many ways in which we can be spiritually nourished.

## Street Jesus News:

On February 16th Rad and I were interviewed at a breakfast service at All Saints Church Kesgrave by Rev Robin Spittle. It was a very enjoyable morning involving lots of families and the bacon rolls were most welcome. We were able to share the nature of our work and had an opportunity to answer questions after the service. We were asked about the common reaction of people when talking to them about Jesus. In truth every person is different and reactions range from withdrawing from the conversation and not wanting to know, through to open hostility to God. When talking with somebody we try to practice double listening, seek to discern the spiritual need of the person before us. It's not an exact science and we don't always get it right. Going in too strong, too soon can put somebody off and if we do not show enough confidence we may lose an opportunity to share our faith. It's about trying to discern what the best approach is.

We recently had our first outreach of 2020 on Ipswich market, we had lots of conversations with people being able to talk about our faith to a group of young people with whom we struck up a good rapport throughout the day, we shared bibles, 'Why Jesus' booklets as well as Beehive and Street Jesus flyers. By the time you read this e-news we will have been on our training day run by Outreach UK for evangelists at Charsfield village hall on Saturday February 29th. Some of our team have been to previous sessions and found it very interesting and enjoyable. If any of you are interested in evangelism and feel that you would like some training and moral support please contact John Green at [iamjohnngreen.co.uk](mailto:iamjohnngreen.co.uk)

We also learned of the Ipswich boundary prayer walk which will take place on Saturday May 2nd. The route will cover most areas of the town. It would be great to get as many people as possible to join the group to walk and pray. For details contact Dawn Gillett at [dawn@mie.org.uk](mailto:dawn@mie.org.uk).

In March we will be at Leiston St Margarets church craft fair on the 14th and will be holding our biennial Yard sale here at 7 Featherbroom Gardens on March 28th in aid of the Beehive. In April on Easter Sunday we will be at Felixstowe car boot sale which is now held near the pier, not Mannings as previously reported.

Here looking further ahead some more dates for your diaries. In May we will be at the Leiston big weekend on Saturday May 9th, Ipswich market on Thursday May 21st and Framlingham Gala on Sunday May 24th. We are also expecting to be at Ipswich music day on Sunday July 5th, Big Family day out in Woodbridge on July 12th and Saxmundham Music festival on Saturday July 25th.

Our bible reading this month is from Psalm 111 which speaks about the characteristics of God, of his glory and majesty. Words like Righteous, gracious, merciful, trustworthy and good are all used. We know this because we experience it, often in the times when life is really tough.

The next Street Jesus prayer meeting will be on Monday March 30th at 7.30pm

Our next General meeting will be on Monday March 2nd 7.30pm at 7 Featherbroom Gardens, Wickham Market IP130JH -All Welcome. Please email if you plan to attend Blessings Graham

### THE VENUE

At the heart of the beautiful Suffolk village of Monks Eleigh is an ancient barn, which was converted into a chapel in the 19th century. The recently renovated building is owned by The Ansell Trust and is managed as a Day Retreat Centre by a team from the United Reformed Church and St Peter's Church.

### THE VISION

It's a place to find space: time to reflect, to meet, to talk, to be quiet, to recharge batteries, to just 'be'. It's available to everyone, of any faith or none.

Groups or individuals can use it for meetings, retreats, or simply as a base to explore the surrounding area. It's for all who need it, regardless of ability to pay.

FOR MORE INFORMATION & BOOKINGS CONTACT  
[ronnie@ronann.com](mailto:ronnie@ronann.com) | 01473 310169

### THE FACILITIES

There is the main meeting room (seats up to 40) with a small kitchen area (for drinks and plating food), including washing up facilities and linen, along with glasses, crockery and cutlery for 40 people as well as supplies of tea, coffee and sugar.

There is also an electronic organ, keyboard and audio-visual equipment available for use. There are 2 toilets, one of which is wheelchair accessible, and there is space for parking at the front of the building and in close proximity.

### THE QUIET PLACE

A short walk from the chapel is a five acre area of water meadow, preserved as a haven for wildlife by one of the centre's management team. In line with the vision and ethos of HOME, The Quiet Place is also available to individuals and groups on day retreat. You can follow a special trail with reflections or just stroll and sit and ponder. The distinctive wet meadow ecosystem is a natural home to special species of butterflies, birds and dragonflies.

# Ecumenical Lent Course

Looking for the Dawn, a Bible study of the film "DARKEST HOUR" in 5 sessions at a church near you.

Within days of becoming Prime Minister of Great Britain, Churchill must face one of his most turbulent and defining trials: exploring a negotiated peace treaty with Nazi Germany, or standing firm to fight for the ideals, liberty and freedom of a nation. Churchill must withstand his darkest hour, rally a nation, and attempt to change the course of world history.

At a church near you:-

Christ Church, Grange Farm Avenue IP11 2XD

Maidstone Road Baptist Church, Maidstone Road IP11 9ED

St John's Anglican Church, Orwell Road IP11 7PW

St Peter & St Paul Church (The Link), Church Road IP11 9NF

The Salvation Army, Cobbold Road IP11 7EL

Trinity Methodist Church, Orwell Road IP11 7AN

The five study sessions will be the same at each time/location so you can attend a venue and time to suit you. Come & go as you are able.

We will consider aspects of Churchill's leadership and character alongside Scripture. The sessions are designed to create discussion around Godly character formation, especially in the difficult times, looking always to the example and teaching of Christ.

## BOOK OF THE MONTH

From humble beginnings on a council estate in Manchester UK, The Message Trust has become one of the fastest-growing youth mission organisations on the planet. Its combination of outreach to young people in schools, countercultural mission in tough urban areas, and pioneering prison and ex-offender ministry, offers a radical template for effective 21st century mission. Already well established in the UK, The Message is quickly taking root in South Africa, Canada and Germany.

## Bible reading

Praise the Lord! I will thank the Lord with all my heart as I meet with his Godly people. How amazing are the deeds of the Lord! All who delight in him should ponder them. Everything he does reveals his glory and majesty, his righteousness never fails. He causes us to remember his wonderful works. How gracious and merciful is our Lord. He gives food to those who fear him, he always remembers his covenant. He has shown his great power to his people by giving them the hands of other nations. All he does is just and good and all his commandments are trustworthy. They are forever true to be obeyed faithfully and with integrity. He has paid a full ransom for his people. He has guaranteed his covenant with them forever. What a holy awe inspiring name he has. Fear of the Lord is the foundation of true wisdom. All who obey his commandments will grow in wisdom. Praise him forever.

Psalm 111
