Street Jesus News:

Welcome to the February edition of Street Jesus e-news.

The snowdrops and aconites are out, the evenings stretch to show more light and we begin to get a sense of renewal and life bursting forth. Regardless of what we read in our newspapers and see on the television news (which can be a bit depressing) we know the antidote, lies in a real appreciation of Gods creation. We wonder at its sheer beauty and magnificence.

Speaking of wonder We were very pleased to attend the annual 'Crown him with many crowns' event organised by Ipswich in prayer at Colchester Road Baptist church in Ipswich on January 18th. It never ceases to amaze the breadth and diversity of the Christian work going on in Suffolk with over 20 organisations exhibiting. The worship was very good and uplifting as was the talk by Arch deacon Rhiannon who spoke about Christmas cards and the practice that some people have of sending a letter within their card as a way of sharing what is happening in their lives. What would we put in our letter if we were to send one to our friends and relatives in relation to our walk with God over this past year? As well as sharing her personal journey over the past year Arch Deacon Rhiannon shared some of the initiatives that have taken place in the diocese' including lightwave Fresh expressions of church and Inspiring Ipswich before praising other new initiatives across the county.

We were fortunate to have a stand in the main hall so we were able to speak with many people about our project and learn about others. We were given a free copy of the bikers bible by the Christian Motorcycle association who evangelise at Bikers shows and rally's in what is predominantly a very macho environment. All those Christian organisations who were present can be viewed on the Ipswich in prayer web site, many of whom attended in past years but its always good to see new organisations springing up such as 'Open up' who support those who suffer domestic abuse and raise awareness of the issue and BEAM a support group for mothers of children who have been adopted or taken into care.

We also learned of the Ipswich boundry prayer walk which will take place on Saturday May 2nd. The route will cover most areas of the town. It would be great to get as many people as possible to join the group to walk and pray. For details contact Dawn Gillett at dawn@mie.org.uk.

Many people promised to pray for the work which is always a great support for us. We were also able to sell African crafts on the night.

Street Jesus News:

£70 was raised for the Beehive Nakuru Kenya

We were delighted to be part of the fundraising effort at the Christina Johnston concert held on January 25th at Framlingham college chapel. £255 was raised on the sale of African crafts with the final amount raised thought to be in excess of £2200.

There has been a change of date to the outreach on Ipswich market. It will now take place on Thursday February 27th rather than on Saturday February 29th

When we first ventured out on the street with our stall in 2014 we went out in complete faith with little or no experience of street work. We merely asked God to guide us. If there was discipleship or training in this area available we were blissfully unaware of it. I remember my heart beating quite fast the first time we went out not knowing quite what to expect. We then went out with an experienced group called 'Presence Faith on the street' which allowed us to grow and develop confidence. We feel that some kind of training is really beneficial. We have therefore moved our Ipswich outreach date in order to be able to attend the training day run by Outreach uk for evangelists at Charsfield village hall on Saturday February 29th. Some of our team have been to previous sessions and found it very interesting and enjoyable. If any of you are interested in evangelism and feel that you would like some training and moral support please contact John Green at mail@iamjohnngreen.co.uk

In March we will be at Leiston St Margarets church craft fair on the 14th and will be holding our biennial Yard sale here at 7 Featherbroom Gardens on March 28th in aid of the Beehive. In April on Easter Sunday we hope to be at Felixstowe car boot sale which is held next to Manning's amusement complex. We are just awaiting confirmation.

Also in February and March we have some speaking engagements. On February 16th Rad and i will be doing a short presentation at a breakfast meeting at All saints Church Kesgrave. In March we are off to pre record an interview for Christian community radio on the Wirral. We met Joshua and Sam Francis who host the programme whilst taking part in the 'Big sleep' at Portman Road in 2018 which was an event organised by the YMCA where we slept out overnight as a gesture of solidarity for those who are homeless in the town and as a way of raising awareness and resources. Joshua was playing guitar and singing and sharing his testimony. He was very interested in our project and thought his listeners may be interested to hear about our work. This will be on the 6th and your prayers on the day would be very much appreciated as i have never done a radio interview before.

Our bible reading this month is from 1 Corinthians 12:1-11 which speaks about the gifts of the holy spirit. These gifts are different for each individual and we here at Street Jesus are obviously interested in the gift of evangelism as mentioned in Ephesians 4:11 but we are also taking time in our prayers to reflect on those who have other gifts which all go toward making up the body of Christ

The next Street Jesus prayer meeting will be on Monday February 3rd at 7.30pm

Our next General meeting will be on Monday March 2nd 7.30pm at 7 Featherbroom Gardens, Wickham Market IP130JH -All Welcome. Please email if you plan to attend Blessings Graham

THE VENUE

At the heart of the beautiful Suffolk village of Monks Eleigh is an ancient barn, which was converted into a chapel in the 19th century. The recently renovated building is owned by The Ansell Trust and is managed as a Day Retreat Centre by a team from the United Reformed Church and St Peter's Church.

THE VISION

It's a place to find space: time to reflect, to meet, to talk, to be quiet, to recharge batteries, to just 'be'. It's available to everyone, of any faith or none.

Groups or individuals can use it for meetings, retreats, or simply as a base to explore the surrounding area. It's for all who need it, regardless of ability to pay.

FOR MORE INFORMATION & BOOKINGS CONTACT

ronnie@ronann.com | 01473 310169

THE FACILITIES

There is the main meeting room (seats up to 40) with a small kitchen area (for drinks and plating food), including washing up facilities and linen, along with glasses, crockery and cutlery for 40 people as well as supplies of tea, coffee and sugar.

There is also an electronic organ, keyboard and audio-visual equipment available for use. There are 2 toilets, one of which is wheelchair accessible, and there is space for parking at the front of the building and in close proximity.

THE QUIET PLACE

A short walk from the chapel is a five acre area of water meadow, preserved as a haven for wildlife by one of the centre's management team. In line with the vision and ethos of HOME, The Quiet Place is also available to individuals and groups on day retreat. You can follow a special trail with reflections or just stroll and sit and ponder. The distinctive wet meadow ecosystem is a natural home to special species of butterflies, birds and dragonflies.

BOOK OF THE MONTH

Over thirty years ago, Dr. Henry Wright experienced major success in praying for people to be healed from disease. But suddenly the healing stopped. He began asking God why people weren't being healed. Through a pursuit of God's Word and truth, he began a lifelong journey of learning the spiritual roots of disease and blockages to healing. In this journey, he discovered that about 80 percent of all disease has a spiritual root issue and is a direct result of a breakdown in our relationship with God, ourselves, or others. This book outlines his experiences

Bible reading

Now dear brothers and sisters regarding your questions about the special abilities the spirit gives us. I don't want you to misunderstand this. You know that when you were still pagans you were led astray and swept along in worshipping speechless idols. So I want you to know that no one speaking by the spirit of God will curse Jesus and no one can say Jesus is Lord except by the Holy spirit. There are different kinds of spiritual gifts but the same spirit is the source of them all. There are different kinds of service but we serve the same Lord. God works in different ways but it is the same God who does the work in all of us. A spiritual gift is given to each of us so we can help each other. To one person the spirit gives the ability to give wise advice, to another the spirit gives a message of special knowledge. The same spirit gives great faith to another and to someone else the one spirit gives the gift of healing. He gives one person the power to perform miracles and another the ability to prophesy. He gives someone else the ability to discern whether a message is from the spirit of God or another spirit. Still another person is given the ability to speak in unknown languages while another is given the ability to interpret what is being said. It is the one and only spirit who distributes all these gifts. He alone decides which gift each person should have. 1 Corinthians 12:1-11.

Prayer

Quiet heart

Lord, let nothing disturb us
Let nothing alarm us.
While all things fade away
God you are unchanging
May we be patient
to gain everything from you.
With you God in our hearts
nothing is lacking.
Lord we know you
can meet our every need

Amen
