Street Jesus News:

And if somebody asks about your Christian hope always be ready to explain it, but do this in a gentle and respectful way.

1 Peter 3:15-16

Welcome to the March edition of Street Jesus e news. Our news is crammed full of events this month I think the most we have ever published. It is usually busy in the run up to Easter but maybe the reason also is that the local Christian community whilst being just as busy as ever communicates more effectively and with social media we become more aware of the great things that are going on. So please scroll down and see if there is anything that might just help to strengthen you faith.

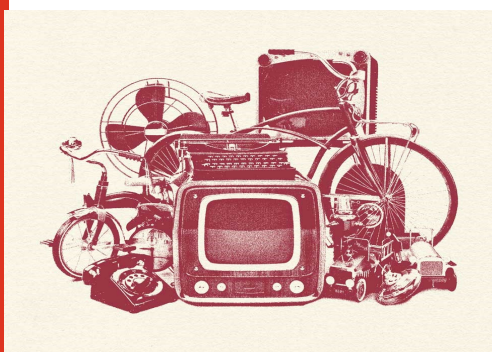

We had our first outreach of the year at Yoxford village hall in February and were able to raise awareness of the Beehive project and many visitors to our stall seem to have some link to, or direct experience of poverty in Africa. Again we had objections to giving to big overseas charities but after explaining to one gentleman that with a micro project like the Beehive every penny goes direct to where it is needed with no large admin and no siphoning funds through corrupt government agencies. He actually ended up donating some money. This is part of what Street Jesus is about shifting attitudes toward compassion and understanding rather than having hard hearts.

Our outreach to Leiston coop had to be cancelled at the last minute as Evangelina developed a puncture, to say we were deflated was an understatement as we had been so looking forward to it. We too can become spiritually deflated and in need of a boost. In our Church we have been doing a series on anger. We can get very angry about injustice and when i think too much about how the girls have been treated prior to being cared for at the Beehive i can feel that way too but it is good in that it motivates us. Often people get angry over ideas and we sometimes experience this on the Street when people do not like the idea of Christianity. but if we are honest the most heart felt anger is often in our personal relationships when we either disappoint or others disappoint us. These are always a result of the

imperfect people we are. We have to somehow remove the nail, mend and re-inflate the tyre so that we may become spiritually pumped up and once again roadworthy to travel on Gods road.

This coming Saturday 3rd we will be at Rendlesham Bentwaters Old Jet monthly market which is held on the old airfield site, this will be a new venue for us so we are very much

looking forward to our visit there. We will not be collecting for the

Street Jesus News:

Beehive on that day but will be supporting their own charity Suffolk Accident Rescue Service. Proceeds from the sale of African crafts though will go to the Beehive as usual.

It is with eager anticipation then that we look toward to Easter to both reflect and celebrate. On Good Friday we will be taking part in the march of witness in Wickham Market which is an annual event and was very well attended last year. Evangelina the Street Jesus van takes part in the procession, with the vital message of LOVE-HOPE-FREEDOM-JUST AS YOU ARE.

On Easter Saturday we will be on the Triangle at the top of Hamilton road in Felixstowe 10am -4pm. This is a venue we attended last year, On April 7th we will be holding our bi-annual yard sale here at Featherbroom gardens in Wickham Market. These have become increasingly popular and we hope yet again to be able to support the Beehive Kenya with vital resources and raise awareness of the Christian work there.

Looking further ahead to May we are planning some indoor craft markets including the late May bank holiday. In June we are booked for the Wickham Market fun day on the 2nd and Woodbridge regatta which will be held on Sunday 17th. As you can see we have plenty to look forward too and are very excited about the programme for the months ahead, We are now also being invited to do talks about our project in various churches. We will be speaking at Leiston St Margarets on March 18th and Framlingham Baptist church on April 29th. If anybody would like to join us in our outreach or you would like us to speak in your church then please contact us.

Our bible reading this month is from the book of Ezekiel which talks about Gods people being in exile in a foreign land just as we as Christians are exiles in the world today. We too await to return more fully into Gods presence just as they wanted and were promised a return to the promised land but God also offers us a sanctuary even though we are still in exile. If we abandon the idols of the world he rewards us with a tender and responsive heart. The passage speaks of Gods will being done and that he wants us to be his people. What a lovely thought.

During Lent rather than deny myself something like chocolate I have tried instead to do something for somebody and some days I have been going up to the landfill site at Foxhall with Evangelina, it's a great place to evangelise as you help people carry their rubbish to put in the skips. I have had some good conversations there amongst the waste and I like to think Jesus being used to embracing those who were considered rubbish in society may also have been there. In fact Jesus spoke of Gehenna the place where rubbish was burned outside the city wall in Jerusalem as an analogy to hell. Does Jesus want to sort through the rubbish in your life? Let us pray

Our next meeting will be on Monday March 12th 7.30pm at 7 Featherbroom Gardens Wickham Market IP130JH All Welcome - Please email if you plan to attend Gods blessings Graham

Tough Talk is made up of a group of men with backgrounds of ex-bouncers and ex-East End hard men who have turned their backs on their past. Many of the team are very keen powerlifters. All the team feel that having let God into their lives they now have an urgent need to share their experiences with the hope of helping others. They have found that the message of hope in Jesus Christ reaches people from all backgrounds and age groups.

Team Member Arthur White, a World Champion Powerlifter whose life spiralled out of control. His encounter with Jesus changed everything.

Team Member Ian McDowall worked as a nightclub bouncer at the age of 18. By the time he was 24 violence and anger had taken over his life. He pleaded with God to change him and He did.

The Farm by the water News Letter and Events Spring 2018

December was a busy month with an advent retreat, a study day on prophecy and a family fun day. We are now aiming to become Christmas food and glitter free—not as easy as it sounds.

The Farm is now being used by private church groups for social, retreat and teaching days. This has been fantastic and has resulted in lots more farm friends. We have been providing refreshments, lunch time and evening meals which has been really good fun and gives times of fellowship so often lacking in our busy lifestyles. The prayer and teaching has been a real blessing.

The new year has been busy so far with two retreat days giving time for focus and a re-alignment to God's purpose in our lives. The diary continues to be busy throughout spring which is really encouraging. We try to have a variety of events—keep an eye out for more dates for the diary.

Lastly we have at last opened a bank account for donations which although not the charitable account we wish for is still allowing us to plan for future events through your kindness and generosity. We still pursue our Charitable Status. For more details on donations or regular giving please contact us.

Please get in touch for more information on event days or bookings, or just to find out what we are all about.

God bless—Kathy x

Building Lives Rooted In Jesus

My soul thirsts for God, for the living God.
When can I go and meet with God?

Psalms 42:2

'I wonder if you have ever felt as though you need to spend more
'quality time' with God? Life by its nature is very busy and
carving out that time can be difficult.

As a church we believe in building lives rooted in Jesus, and so
we invite you to our series of retreat days, with us focusing on
God and our relationship with him. In taking the time to pause
and listen to Him, we can have our eyes lifted above our present
circumstances, our energy renewed and our 'first love' restored.'

A gentle retreat exploring healing in the Kingdom of God on earth, based on teachings of Mike Endicott, Revd. Prior of the Order of Jacob's Well.

Retreat leader: David Males
Elder of the Order of Jacob's Well.
Please book early for any of the following:
25th January, 15th February, 15th March 2018

The morning will start with a time of praise and prayer, followed by a bible based talk and discussion looking at the Good News of the Kingdom of Heaven and the gifts of the Cross. After coffee we will spend the rest of the morning talking about how Jesus and His disciples went about healing the sick to see if we too can seek His healing grace both for ourselves and for those whom we love.

The afternoon will build on this experience, and consider in how we can come closer to Jesus in our daily lives, look at what does God's voice sound like, and follow this by a meditation in which we place ourselves in a bible story so that we might meet up with Jesus.

The cost of this guided retreat is £20pp, including a cooked lunch. But don't let the price stop you - instead have a word with Liz and arrange to pay what you can! Hand-outs will be provided. Please arrange to arrive in time for coffee at 10am.

Dear Church Leader,

As you know the experience of many Christians in the world today is one of persecution, marginalisation and alienation because of their faith in Jesus Christ. This is a key issue facing the global church.

MIE are working in partnership with Open Doors to host a unique regional event on Monday 5th March 2018. A member of the Open Doors staff will be giving churches in East Anglia the opportunity to hear about the plight of the international church and to explore how we can work with Open Doors to respond with compassion to the actual needs of local churches in some of the most difficult places in the world to be a Christian.

Open Doors is a Christian charity which works with local churches to serve and support the persecuted church in many parts of the world.

We would like to invite you to enjoy a fish and chip supper with us whilst we hear stories from Christians around the world and the benefits of engaging with and supporting our brothers and sisters in Christ.

A Family Volunteer, supported by a Family Coordinator, will visit the family in their home for one hour a week to encourage, befriend and listen.

No experience needed just an ability to show Gods compassion and unconditional love. For more information and/or an application form please contact:

Book of the month

BOOK OF THE MONTH

First published in 1984 having sold over 200,000 copies this is the story of Gulshan Esther a woman imprisoned by religion and having to conform to strict rules and rituals. It gives a clear insight into Islamic culture. Ultimately it tells of the freedom she found in Jesus and how her life was completely reformed. A good book for anyone wanting to explore the transformative power of God

SUPPORTING CHILD MUMS AND THEIR BABIES AT THE BEEHIVE KENYA

Bible reading

Then this message came to me from the Lord. Son of man the people still left in Jerusalem are talking about you and your relatives and all the people of Israel who are in exile. They are saying those people are far away from the Lord so now he has given their land to us. Therefore tell the exiles this is what the sovereign Lord says Although I have scattered you in the countries of the world , I will be a sanctuary to you during your time in exile. I the sovereign Lord will gather you back from the nations where you have been scattered and I will give you the land of Israel once again. When the people return to their homeland they will remove every trace of their vile images and detestable idols . And I will give them singleness of heart and put a new spirit within them I will take away their stony stubborn heart and give them a tender responsive heart so they will obey my decrees and regulations. Then they will truly be my people and I will be their God But as for those who long for vile images and detestable idols. I will repay them fully for their sins. I the sovereign Lord has spoken.

Ezekiel 11:14-21

Prayer

Holy spirit

Lord Jesus
Stir up within me
The fullness of
your holy Spirit
Help me to grow
in personal relationship
with you the Holy spirit
so I may live
in your power
and use your gifts
to make the world
a better place

Amen
