

## ENews Issue 100 October 2023

streetjesus2012@gmail.com

www.streetjesus.org.uk

Welcome to the 100th edition of our e-news.

It is a little over eight years now since we published our very first e-news. We had no idea then how it would develop or how long it would last. The original idea was birthed at one of our Street Jesus meetings just one year after the project started. We have produced it every month since that time apart from a couple of months due to

illness. The first issue consisted of just two pages but has grown to over twenty pages most months. I am constantly amazed at how much goes on in the local Christian community and it truly gladdens my heart. Right from the beginning we wanted to work alongside Churches to go out into the public space to share the love of God and convey the good news of Jesus Christ. In the process we got to meet many Christians from different churches and we noticed that we were not always aware of what was going on in our own local

Christian community. The idea was to inform people of what we were doing as a group but also to gather and share information of what was going on in other Churches. Its very easy to get stuck in our own church bubble and not be aware of what's going on locally. We have had so many people over the years thank us for making them aware of an event which they enjoyed and which helped them in their faith journey. Our hope is that this sharing will continue to help strengthen

not just individual Christians but also the local church.. There is a wide range of information contained within the news that go beyond events which we hope you have found useful. In many ways our facebook page reaches more people but we are aware that not everyone is on facebook so e-news certainly still has its place. In that time Network Suffolk has been developed as a very good source of whats going on

across Suffolk and has considerable reach across the county. We thank you all for supporting us.

We have learned in recent times how much we rely on Evangeline the Street Jesus van. It recently suffered from multiple problems beginning in May which required a 14 week wait for parts which was

followed up by three further problems. Vehicles are so complex now, very technical and there is so much more to go wrong and when they do the parts are much more expensive. This disrupted our mission to help out families with inexpensive tip runs and house clearances at a time when removing stuff for recycling has become increasingly expensive. We had to cancel our

village hall sale where normally 50% of proceeds are donated to the Beehive

## Street Jesus News:

The picture above of myself, Denise and Mike is taken before setting off for the recent outreach at Trinity park car boot sale in Ipswich and where we had to transport all our resources in our cars because Evangeline was out of action.

Our recent outreach at Trinity park was very good. We had four out on team and we had a number of interesting conversations and once again we had significant engagement with 'Jesus at the door' We had one young man with his son who were very interested in what we were

sharing. He was very taken with the sin stones in the rucksack and how Jesus takes our burdens. He spoke of problems in his own life and we were able to talk about how Jesus heals us. Another man engaged at a distance, quite liked the idea of Jesus coming into our hearts but when we moved on to the bag of sins he made his apologies

and was gone. Completely different responses to the same information. In our church recently Jenny gave a demonstration with two tumblers one turned upside down. Asking us to imagine pouring water over the two tumblers. One is open to being poured into the other isn't. The water represents the word of God and the holy spirit and the people who visit us broadly fall into those two groups. We look and pray particularly for those who are open to come. That's not to say we are not interested in those whose tumbler is upside down because we bless all those who visit and we hope that either through what we say or how

we are that they may become more open to receiving the living waters. Things change over time and I know that for many years I was a tumbler turned upside down, the water ran off me as if off a ducks back.

We prayed for a lady with severe osteo arthritis and gave pastoral support for another lady whose husband is in a wheelchair who had had a stroke and whose son suffers with Crohn's disease

We spoke to a Christian man who had been living in the area for a couple of years but could not

find a church he could settle into. We encouraged him to persist and to seek Gods purpose for his life.

Another lady believed in God but worshipped him in her own way and could not relate to Church. We hear this quite a lot on the street, it's a kind of individualised faith but truly there is no other way than to worship in spirit and in truth. We gave away free bibles and New

testaments and psalms and a number of Beehive leaflets and other Christian literature. A total of £22 was raised for the Beehive Childrens foundation. Our next outreach is at Friday Street car boot sale Farnham. On Sunday October 15th

Christian friends have recently been urging me to write more. Early in my Christian faith

i was given a picture of a pen and an editors hat and I have always sensed that at some point God wanted me to pen something substantial. The Street Jesus project will be ten years old next year and it maybe that I will write sometime about our experiences of our 100 plus outreaches to date. I have also had seasons where I have submitted letters to the East Anglian daily times on cultural and Christian matters. I am entering that season again now having had letters published recently on Suffering, thanksgiving and Justice. God wants us to speak into our culture in whatever way we can, be that getting alongside people on a one to one basis or doing something more public. Its interesting how God prompts us to do different things at different times and wants us to use our gifts. What is you gift? Blessings to you all Graham

## **BOOST Primary School Chaplaincy**

We would ask for your prayers as the BOOST Trustees explore the possibility of appointing a voluntary part time chaplain to work in a local primary school. The role would be 2-3 hours per week based over a lunchtime through term time.

This venture will build on the excellent work of chaplaincy already at Felixstowe School. The volunteer chaplain would be accountable to, and receive support and training from, the BOOST Trustees, the BOOST Chaplain and the school involved.

We are excited about this possible new venture and ask that you continue with us in prayer so that we may be attentive to God's prompting and direction. If you would like to know more about the role please do get in touch via boostfelixstowechaplaincy@gmail.com

#### BOOK OF THE MONTH

Alistair Mc Grath's book tells the story of his journey from Atheism to faith As he studied the natural sciences at Oxford university. Going from the dismissive to doubt then looking at the possibility that there may be a God on to eventually coming to faith. It outlines the inner and intellectual struggle. A fascinating insight into how doubt can be overcome. The fact that it is a personal story rather than just Apologetics brings it to life

## Bible reading

Keep me safe O God for I have come to you for refuge. I said to the Lord you are my master. Every good thing I have comes from you. The godly people in the land are my heroes. I take pleasure in them. Troubles multiply for those who chase after other gods. I will not take part in their sacrifices of blood or even speak the names of their gods. Lord you alone are my inheritance my cup of blessing. You guard all that is mine. The land you have given me is a pleasant land. What a wonderful inheritance. I will bless the Lord that guides me, even at night my heart instructs me. I know the Lord is always with me. I will not be shaken for he is right beside me. No wonder my heart is glad and I rejoice. My body rests in safety. You will not leave my soul among the dead or allow your holy one to rot in the grave. You will show me the way of life, granting me the joy of your presence and the pleasures of living with you together.

Psalm 16

#### For those in Authority Heavenly Father, Creator of the heavens and earth, We are confident that you sovereignly place every leader and that you have marked the days for which you use them for your purposes. By your mighty hand we pray that you would be merciful to our nation to work in the hearts of those

to whom you give authority.

#### Amen
